CNPLaw's head of Construction, Engineering and Infrastructure Projects, Mr Subramanian Pillai, spoke to attendees on how to manage defects in strata developments at a seminar held at Knight Frank's office on 27 March 2019.

The seminar was well attended with over 80 attendees comprising managing agents of various condominium developments. They learnt about the procedures to take note of for defects, the defects liability period, potential parties who were liable for defects and case studies of various scenarios were highlighted.
