CNPLaw LLP ("CNP"), formerly known as Colin Ng & Partners LLP, is pleased to have been one of three headline sponsors for IR Global's "On The Road" Singapore Conference held at the Marina Bay Sands from 10 to 12 May 2017.

At the Conference, Managing Partner Lisa Theng participated in the Sponsors' Panel where she discussed Singapore's role as an entry point into South East Asia. CNP partners and senior associates also participated actively in the various Breakout Sessions where the firm showcased its expertise in practice areas such as Litigation, Commercial, M&A, Private Clients and doing business in South Asia and South-East Asia.

In addition to organising a pre-event dinner for early arrivals on 9 May 2017, CNP sent delegates to all the social networking programmes at the conference.

Based on feedback from the conference's attendees, CNP's participation was well received. Several discussions on working together have already been initiated.

Commenting on the firm's sponsorship of the conference, Lisa said, *"Being a sponsor has significantly raised our profile among the IR members and we look forward to further developing the connections made at the conference."*

IR Global is a professional service firm network connecting legal, accounting and financial advisers across 150 jurisdictions. The group's founding philosophy was based on bringing the professional advisory community into a sharing economy.
