CNPLaw LLP (“CNP”) is proud to announce that the firm is appointed to be on the National Parks Board’s (NParks) panel of law firms for the provision of legal services for three years. This appointment makes it the 10th Singapore government agency panel that CNP is on.

CNP’s Managing Partner, Ms Lisa Theng, and Partner and Corporate Advisory Practice Head, Mr Ken Chia have this to comment about the firm’s recent appointment: “We are thankful for the appointment and look forward to provide legal support to the NParks in the years ahead.”

NParks is a statutory board of the government of Singapore, and its mission is to make Singapore the best living environment through excellence in nature conservation, greenery and recreation, and veterinary care, in partnership with the community.
