CNPLaw LLP (CNP) is proud to announce once again, that we have been ranked in Chambers & Partners' Global and Asia-Pacific Guides for 2025 in the Capital Markets category. This would be CNP's fifth year in a row to be featured in the Asia-Pacific guide and our third year to be ranked internationally in the Global guide. In addition to our firm's rankings, we are proud to announce that CNP's partners, Ms. [Tan Min-Li](#) and Mr. [Bill Jamieson](#) have been individually ranked in the categories of Capital Markets and Investment Funds respectively.

In addition to our rankings in their Global and Asia-Pacific guides, Chambers & Partners shared the following client reviews of our Capital Markets team in the 2025 APAC guide:

"CNPLaw is recognised for assisting clients with equity and debt capital markets issuances in Singapore. The team is well accomplished in the ECM space where it handles IPOs on the Singapore Mainboard and other exchanges in the region as well as private placements. The firm is also well versed in public M&A and delistings. The department often caters to issuers and public companies."

"They have in-depth knowledge of all the listing processes with the SGX."

CNP would like to extend our warmest gratitude to all clients for their constant support throughout the years.
