CNPLaw LLP is proud to announce that Who's Who Legal (WWL) 2020 has recommended our Managing Partner, Ms Lisa Theng, in the practice area of Corporate Governance.

In this edition, only 13 lawyers in Singapore are recognised for the practice area of Corporate Governance, and Lisa is one of the selected few.

Lisa has this to say about her ranking: "I am honoured to be part of the selected few recognised by the publication. Good corporate governance continues to be paramount, and companies with strong corporate governance practices are able to maintain high levels of trust among stakeholders and customers. CNPLaw seeks to help our clients strengthen this area in their respective organisations".

First published in 1996, WWL has identified the foremost legal practitioners in business law based upon comprehensive, independent research. Legal practitioners are ranked based on the recommendations and feedback of those previously featured on publication.
